Welcome...

Welcome to the 2017 MBA catalogue which showcases our most suitable texts and resources for use on an MBA programme of study. Whether you are looking for texts on key business topics such as leadership, strategy, marketing and organization studies, or texts to support study skills and research, we are confident that you will find something on these pages to meet your and your students’ needs.

Our publications are now available in eBook format for individual purchase. Key titles come with access to companion websites – extra teaching and study tools which help students to further explore topics and check their progress. These tools typically include PowerPoint slides, teaching notes, access to SAGE journal articles, self-test questions and podcasts.

Clegg et al. Strategy, Second Edition (p. 15) comes with an Interactive eBook featuring videos, cases and other links, allowing access on the go and encouraging learning and retention whatever the reading or learning style. Student feedback shaped the blueprint-themed visuals as well as the signposts that help them to navigate their way through the book and achieve their goals. It’s just one example of how we’re responding when students tell us what they want from a textbook.

Visit www.sagepub.com for our complete list of publications or contact your local sales representative for further guidance and to discuss custom publishing solutions.
