Open Access Disclaimer: If this box is checked, the Article will be published on an open access basis and may be freely accessed, and may in some cases also be copied, republished, and adapted by others. The Materials will be published in the Article with a credit line indicating your ownership of the rights so that readers will have notice that any use of the Materials separate from the Article will require your permission.

Nonexclusive Grant of Rights:

By signing this request, you confirm your permission to include the Materials in the Article as described above. The permission granted hereunder includes the nonexclusive right throughout the world, in all formats and media now known or later developed, to: reproduce, reprint, distribute, transmit, and display the Materials within the Article, including within excerpts of the Article and within revisions and other derivative works based on the Article published by the Journal owner and its assignees and licensees.

Copyright holder to complete:

If you request a specific credit line, please enter this here: _____

Please sign below to confirm your agreement to the terms described above.

Signed _____ Date _____

Name _____ Title _____

If you do not control these rights in their entirety, please inform me of others to whom I should write. As the article author, I am responsible for paying any permission fees needed for my Article. I acknowledge that the nonexclusive rights granted to me hereunder in no way restrict your further publication or license of the Materials in any form.
