CONSUMER BEHAVIOR AND CULTURE
Consequences for Global Marketing and Advertising
Third Edition
Marieke de Mooij

Marieke de Mooij’s new edition continues to explore how cultural influences can affect consumer behavior. The author uses her own model of consumer behavior to try and answer the fundamental questions about consumption – what people buy, why they buy it, and how.

THE FUTURE OF SOCIAL WORK
Seven Pillars of Practice
Brij Mohan Dean Emeritus, School of Social Work, Louisiana State University
The Future of Social Work discusses seven new algorithms of social practice that challenge the existing model of social work education and offers a new perspective for radical transformation of the entire system. The book warns against academic complacence and shows how this radical transformation is necessary in order to prevent inevitable alienation, avarice, and anger in a techno-scientific world. The author believes altruism is professionally unattainable until social work is completely re-founded.
