

Detailed Contents

Preface	xiii
Chapter 1. Introduction	1
Early Accounts of Profiling	2
Origins of Modern Profiling	4
<i>The Mad Bomber Case</i>	5
FOCUS 1.1 METESKY AND THE MEDIA	6
<i>The Brussel Legacy</i>	9
FOCUS 1.2 BARNUM STATEMENTS	10
<i>The Boston Strangler</i>	13
The Five Areas of Behavioral Profiling	15
<i>Crime Scene Profiling</i>	16
<i>Geographic Profiling</i>	17
<i>Psychological Profiling</i>	17
<i>Suspect-Based Profiling</i>	18
<i>Equivocal Death Analysis</i>	18
Summary and Conclusions	19
Chapter 2. Crime Scene Profiling	21
Early FBI Profiling Origins	22
<i>The Behavioral Science Unit and the NCAVC</i>	23
FOCUS 2.1 NATIONAL CENTER FOR ANALYSIS OF VIOLENT CRIMES (NCAVC)	23
<i>Two Seminal Articles</i>	25
TABLE 2.1 PROFILE CHARACTERISTICS OF ORGANIZED VS. DISORGANIZED OFFENDERS AS CLASSIFIED BY THE FBI IN 1985	28
TABLE 2.2 CRIME SCENE DIFFERENCES BETWEEN ORGANIZED AND DISORGANIZED OFFENDERS AS CLASSIFIED BY THE FBI	28
<i>The Douglas and Ressler Interviews</i>	29
<i>Further Development of the O/D Dichotomy</i>	30
The Crime Classification Manual	32
FOCUS 2.2 CULT MURDER	32
Crime Scene Profiling Today	33
<i>Profiling Terminology</i>	35
<i>Case Linkage</i>	37
<i>Additional Research on Crime Scene Profiling</i>	38

Typologies and Profiling	41
Clinical Versus Actuarial Profiling	43
Training and Characteristics of Profilers	45
Accuracy and Usefulness of Crime Scene Profiles	47
FOCUS 2.3 WILL NEW ADVANCES MAKE PROFILING OBSOLETE?	48
The Psychological and Cognitive Pitfalls of Crime Scene Profiling	50
<i>Memory and Cognitive Biases</i>	51
<i>Confirmation Bias</i>	52
<i>Self-Serving Bias</i>	53
<i>Fundamental Attribution Error</i>	54
Summary and Conclusions	55
Chapter 3. Scientific Approaches to Crime Scene Profiling	57
Misconceptions About Profiling	58
TABLE 3.1 MISCONCEPTIONS AND REALITY WITH RESPECT TO PROFILING	59
Making the Case for Scientific Profiling	59
The Beginnings of Scientific Crime Scene Profiling	62
<i>Origins of Investigative Psychology</i>	62
FOCUS 3.1 SEARCHING FOR THE RAILWAY RAPIST	64
<i>Investigative Psychology Today</i>	67
<i>Clinical Versus Actuarial Profiling Revisited</i>	68
<i>Police Psychology Versus Profiling</i>	68
<i>Research Questions</i>	70
The Behavioral Features	70
Distinguishing Between Offenders and Crimes	71
Inferring Characteristics	72
Linking Crimes	72
FOCUS 3.2 THE VIOLENT CRIME LINKAGE ANALYSIS SYSTEM (ViCLAS)	73
<i>Psychological Signatures</i>	75
The Person–Situation Debate	76
The A → C Equation	77
FOCUS 3.3 WHAT’S IN A PROFILE REPORT?	78
Behavioral Investigative Analysts in the United Kingdom	79
Contemporary Theories in Criminology	80
TABLE 3.2 IMPLICATIONS OF CRIME THEORIES FOR PROFILING	81
<i>Developmental Pathways in Offending Patterns</i>	81
Application to Profiling	83
<i>Developmental and Maturation Changes in Offenders</i>	83
Application to Profiling	84
<i>Deficient Interpersonal Skills and Peer Rejection</i>	84
Application to Profiling	85
<i>Offending Patterns of Criminal Psychopaths</i>	86
Application to Profiling	86
Potential Error Problems in Scientific Profiling	87
<i>Heuristics</i>	87
<i>Representative Heuristic Errors</i>	88

<i>Base Rate Fallacy (or Neglect)</i>	89
<i>Expressions of Uncertainty</i>	90
Summary and Conclusions	91
Chapter 4. Geographic Profiling and Mapping	93
Geographic Mapping	94
FIGURE 4.1 CRIME MAP OF AUTO THEFT INCIDENTS IN AN URBAN AREA	94
<i>History of Crime Mapping</i>	95
<i>Influences of Environmental Criminology</i>	96
<i>Contemporary Crime Mapping</i>	97
Geographic Profiling	98
FIGURE 4.2 COMPUTER-GENERATED GEOGRAPHIC PROFILE MAP	99
<i>Theoretical Foundations and Early History</i>	99
Routine Activity Theory	99
FIGURE 4.3 AWARENESS SPACE PATHS	100
Rational Choice Theory	101
<i>History of Geographic Profiling</i>	102
<i>Geographic Profiling Software</i>	102
Measures of Accuracy	104
FIGURE 4.4 ILLUSTRATION OF PROFILE ERROR DISTANCE	105
<i>Key Concepts in Geographic Profiling</i>	106
Distance Decay	106
FIGURE 4.5 DISTANCE DECAY	107
FIGURE 4.6 ILLUSTRATION OF BUFFER ZONE	108
Mental Maps	109
The Circle or Centrality Theory	111
FIGURE 4.7 CENTRALITY OFFENDING PATTERN OF SERIAL RAPIST	111
FIGURE 4.8 MARAUDER AND COMMUTER OFFENDING PATTERNS	113
FIGURE 4.9 WINDSHIELD WIPER EFFECT	115
Geographic Hunting Patterns	115
The Basic Assumptions of Geographic Profiling	117
<i>Case Linkage</i>	117
<i>Linkage as a Function of Multiple Offenses</i>	118
<i>Relatively Even Distribution or Wide Dispersion of Offenses</i>	119
<i>Single, Stable Base of Operations</i>	120
<i>Relatively Short Time Interval Between Offenses</i>	120
<i>Crime Series Must Occur Continuously Over Time</i>	121
FOCUS 4.1 ATF CRIMINAL AND GEOGRAPHIC PROFILING PROGRAM	122
Recent Research on Geographic Profiling	122
<i>Simple Heuristics May Be Better Than Computer Programs</i>	123
FIGURE 4.10 MEAN ERROR DISTANCE (MM) AFTER BASELINE AND RETEST	
FOR THE CONTROL, CIRCLE, AND DECAY GROUPS, AND CRIMESTAT	125
<i>Computer Models Try to Get Better Through Bayesian Methods</i>	126
Summary and Conclusions	127
Chapter 5. Profiling Applied to Specific Crimes	129
Profiling in Child Abduction Cases	130
<i>The Numbers</i>	131

FOCUS 5.1 CARD TEAMS	132
<i>AMBER Alert</i>	133
<i>The Victims</i>	135
<i>The Offenders</i>	136
Profiling in Serial Murder Cases	137
<i>The Numbers</i>	137
<i>The Victims</i>	138
<i>The Offenders</i>	140
Criminal Background	141
FOCUS 5.2 THE FBI SERIAL MURDER SYMPOSIUM	142
Serial Killer Typologies	144
The Holmes-DeBurger Serial Killer Typology	145
<i>Role of the Victim</i>	148
Profiling in Serial Rape Cases	149
<i>The Numbers</i>	149
<i>The Victims</i>	150
Victim Selection	150
False Allegations	152
<i>The Offenders</i>	153
<i>The Massachusetts Treatment Center Classification System</i>	154
FIGURE 5.1 MASSACHUSETTS TREATMENT CENTER CLASSIFICATION SYSTEM	154
Opportunistic Rapists (Types 1 and 2)	154
Pervasively Angry Rapists (Type 3)	155
Sexually Motivated, Sadistic Rapists (Types 4 and 5)	155
Sexually Motivated, Nonsadistic Rapists (Types 6 and 7)	156
Vindictive Rapists (Types 8 and 9)	157
<i>Canter's Levels of Violation and Themes of Rape</i>	158
Profiling in Serial Arson Cases	159
<i>The Numbers</i>	159
<i>The Victims</i>	159
<i>The Offenders</i>	160
Firefighter Arson	160
FOCUS 5.3 FIRE INVESTIGATOR-TURNED-ARSONIST	160
Juvenile Firesetters	161
Serial Arsonists	162
TABLE 5.1 FOUR THEMES OF ARSON	163
<i>Pyromania</i>	165
Profiling Serial Burglars	165
<i>The Numbers</i>	165
<i>The Offenders</i>	166
TABLE 5.2 THE FOUR THEMES OF BURGLARY	167
Pilferers	167
Raiders	167
Intruders	167
Invaders	168
Summary and Conclusions	169

Chapter 6. Psychological Profiling: A Focus on Threat and Risk Assessment	171
A Brief History of Psychological Profiling	172
Threat Assessment	173
Threat Assessment and School Violence	175
<i>Profiling School Shooters</i>	176
TABLE 6.1 EARLY WARNING SIGNS OF VIOLENCE	177
<i>The Safe School Initiative (SSI)</i>	178
<i>School Threat Assessment Teams</i>	181
TABLE 6.2 PREDICTION TABLE	181
<i>Adult School Shooters</i>	183
FIGURE 6.1 DECISION TREE FOR STUDENT THREAT ASSESSMENT	184
<i>Psychological Characteristics of Student School Shooters</i>	185
Workplace Violence	186
<i>Statistics on Serious Workplace Violence</i>	187
<i>Categories of Workplace Violence</i>	187
<i>The Warning Signs</i>	189
TABLE 6.3 EMPLOYEE WARNING SIGNS OF POTENTIAL WORKPLACE VIOLENCE	189
<i>Behaviors and Characteristics That May Predict Workplace Violence</i>	190
Violence Risk Assessment	192
<i>Dynamic and Static Risk Factors in Prediction</i>	194
Stalking	195
<i>Prevalence</i>	196
<i>Risk Assessment of Stalking Violence</i>	196
<i>Stalking Typologies</i>	198
The RECON Typology	198
TABLE 6.4 RECON TYPOLOGY	199
The Mullen et al. Typology	200
<i>When Does Stalking Usually Stop?</i>	201
<i>Current Research in the Development of Risk Assessment of Stalkers</i>	201
Summary and Conclusions	202
Chapter 7. Suspect-Based Profiling	205
Racial Profiling	207
<i>The Drug Courier Profile</i>	208
Terrorism	209
<i>Who Are the Terrorists?</i>	210
<i>Profiling Terrorists</i>	211
<i>Lone Wolf Terrorists</i>	213
<i>Summary</i>	215
Passenger Profiling	216
<i>Early Attempts at Passenger Profiling in the 1970s</i>	217
Suspect-Based Profiling Based on Behavioral Patterns	218
<i>CAPPS and CAPPS II</i>	220
<i>Secure Flight</i>	221
<i>Terrorist Screening Database (TSDB)</i>	222

Behavioral Observation Techniques to Detect Suspicious Passengers	223
<i>Screening of Passenger by Observation Technique (SPOT)</i>	223
<i>Future Attribute Screening Technology (FAST)</i>	225
Detecting Deception	227
<i>Police Investigators' Ability to Detect Deception</i>	228
<i>Promising Approaches to Detecting Deception</i>	228
<i>Detection of Intent</i>	231
New Approaches to Detecting Deception	232
<i>Thermal Imaging</i>	232
<i>Voice Stress Technologies</i>	233
Summary and Conclusions	234
Chapter 8. Reconstructive Psychological Evaluation: The Psychological Autopsy	237
The USS <i>Iowa</i> Case	238
The Psychological Autopsy	240
FOCUS 8.1 VINCENT WALKER FOSTER JR. CASE: DEATH NEAR THE CAPITOL	242
Purposes of Psychological Autopsies	244
<i>Research With Psychological Autopsies</i>	244
<i>Clinical Practice Applications of Psychological Autopsies</i>	244
<i>Psychological Autopsies in Legal Cases</i>	245
<i>Psychological Autopsies and the Military</i>	246
<i>Suicide by Cop</i>	247
<i>Autoerotic Asphyxia</i>	248
The Choking Game	249
How Psychological Autopsies Are Performed	250
FOCUS 8.2 OPERATIONAL CRITERIA FOR CLASSIFICATION OF SUICIDE	251
FOCUS 8.3 CLASSIFICATION OF SUICIDES BY INTENT	252
<i>The Investigative Value of Suicide Notes</i>	254
Evaluating the Psychological Autopsy	255
<i>Standardization</i>	256
<i>Reliability and Validity</i>	257
Summary and Conclusions	257
Chapter 9. Profiling in Court	259
Paths to Admission of Evidence	260
Standards for Admission of Expert Testimony	262
<i>The Frye General Acceptance Rule</i>	262
FIGURE 9.1 ILLUSTRATION OF OHIO COURT STATE SYSTEM	263
FIGURE 9.2 ILLUSTRATION OF FEDERAL COURT SYSTEM, UNITED STATES	264
<i>The Daubert Trilogy</i>	264
TABLE 9.1 FRYE AND DAUBERT SUMMARY	265
Profiling as Expert Evidence	267
FOCUS 9.1 RACHEL NICKELL'S CASE: "THE BANE OF OUR LIVES"	268
FOCUS 9.2 PROFILING-RELATED CRIMINAL CASES	270
<i>Profiling Credentials</i>	271

FOCUS 9.3 CONSULTANT VS. CONSULTANT: THE SHEPPARD CASE	273
FOCUS 9.4 FROM THE PRISON CELL: THE DRAKE CASE	275
Crime Scene Profiling in the Courtroom	277
<i>Linkage Analysis in the Courtroom</i>	277
The Pennell Case	277
The Fortin Case	278
<i>Motivations of Offenders and Psychological Characteristics</i>	280
The Masters Case	282
<i>The Psychological Autopsy</i>	283
<i>Ultimate Issue Testimony</i>	285
Summary and Conclusions	286
References	289
