

Many of the issues explored in this chapter are addressed in greater depth in the following book, which takes each of the taken-for-granted rules of relationships and explores ways in which these can be gently questioned and opened up, as well as possible alternatives:

Barker, M. (2012). *Rewriting the rules: An integrative guide to love, sex and relationships*. London: Routledge.

In terms of sex specifically, a useful book is:

Godson, S., Agace, M., & Winson, R.L. (2006). *The sex book*. London: Cassell Illustrated.
