Learners’ thoughts about ‘good’ teachers

- X runs it like a proper workplace
- X doesn’t shout at us when we mess up
- X says hello to us when we meet around college
- With X we have something to show at the end of the lesson
- X takes an interest in us
- With X it’s not like school – we don’t get lots of worksheets
- X is patient and will explain things more than once
- X explains things simply
- X treats us like adults
- X listens to us when we ask things
